

Vision On-Line Questionnaires

Your chance to fully engage with the community

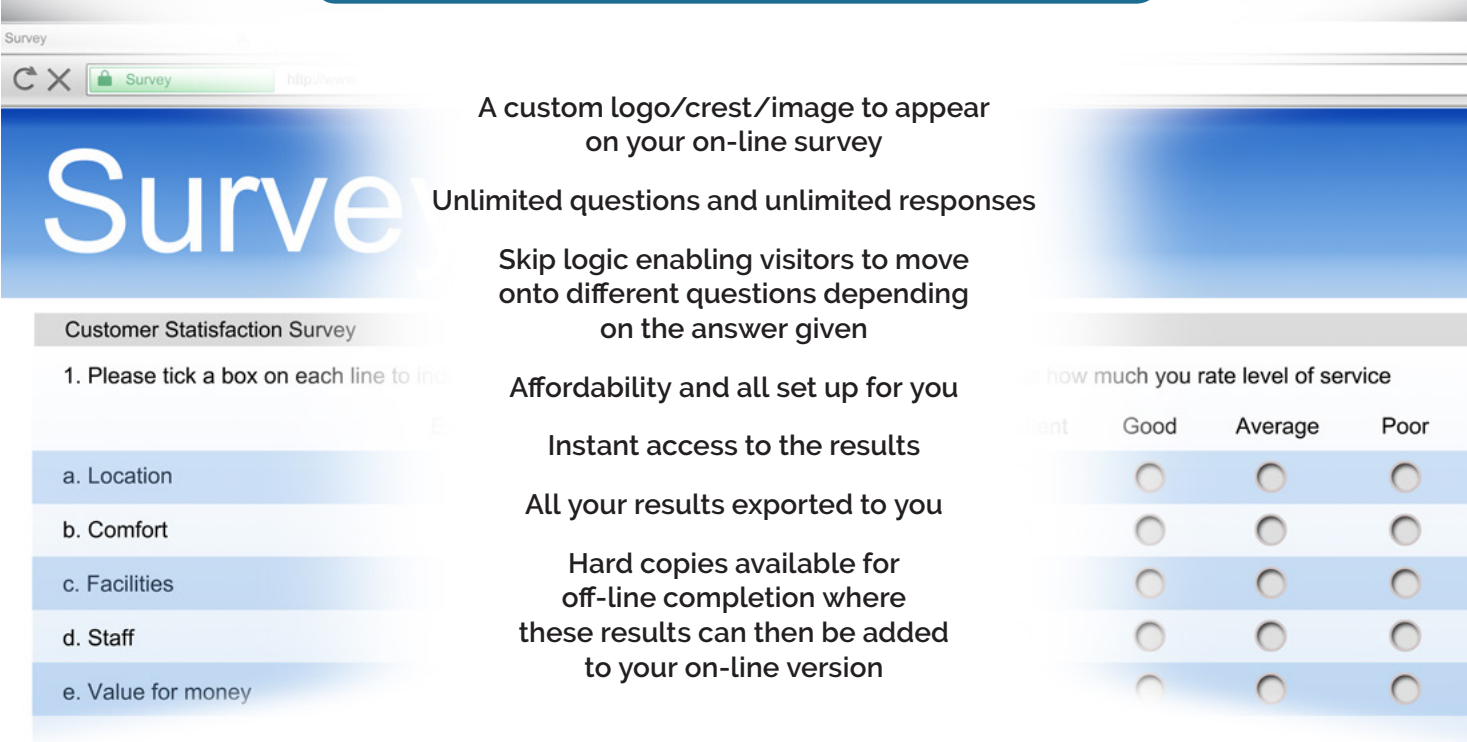

Never has it been so important to find out the views of your community or gain their feedback. This information can help guide your decisions, campaigns and activities. Are you considering taking on additional work or facilities from the District / Unitary Authority? Finding out the views of the electorate can be critical.

Are you about to do a Neighbourhood Plan? Talk to us about the consultation you will have to carry out.

Consultation is an invaluable resource to help steer your council's decision making.

Vision can provide a helpful, inexpensive and quick way for your council to find out what people are thinking and feeling.
