

# WordPress Transparency Code Websites

## A legal obligation all on one page

With the introduction of the Transparency Code back in 2014 Vision ICT developed a package to meet the legal requirements. Our WordPress page includes comprehensive sections like About our Parish, The Council, Your Councillors, Meetings and Minutes, Finance, Documents, and Contact Us.

### SPECIAL INTRODUCTORY OFFER!

Get the complete package for only £500 (normally £650) with an annual fee of £175, encompassing all the transparency code requirements.

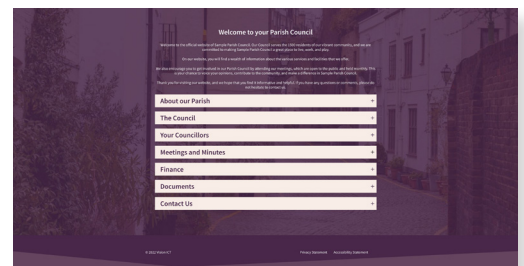

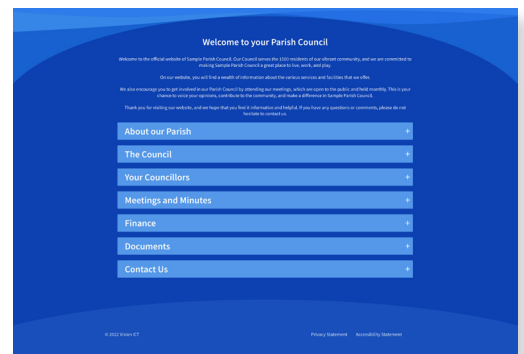

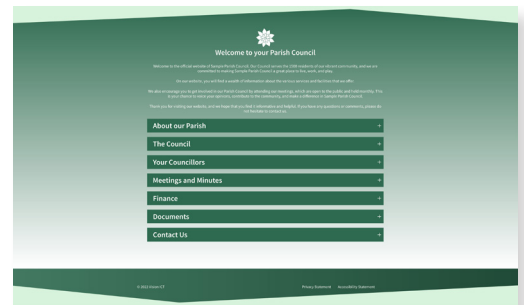

## Experience the powers of WordPress for your Parish Council

- **Effortless Website Management**  
If you can use Microsoft Word, you can easily manage your website with just a short training session.
- **Tailored to your Needs**  
Get a custom-configured WordPress site designed specifically for your Parish Council, ensuring it meets all transparency code requirements.
- **Hassle-Free Content Setup**  
We'll take your initial content, such as text, minutes, and images, and format them into engaging web pages, saving you time and effort.

## Discover the simplicity and convenience of WordPress, tailored to suit your Parish Council's needs.

### Get in touch with us

We would be delighted to chat about your ideas and identify how we can help you. Call or email our friendly and talented team to discuss your requirements.
